

# PSU ASPRS Winter Colloquium:

## GIS Job Market Forum – Panel Presentation & Discussion

413 Cramer Hall, Friday 3-5pm, February 9<sup>th</sup>, 2007

---

**Chris Aldridge**- Vice President/ General Manager: Spencer B. Gross, Inc. & CP (ASPRS)

**Jackie Olsen**- Cartographer, USGS Water Resources Division

**Mark Bosworth**- GIS Program Supervisor, Metro's Data Processing Center & Adjunct Professor of Geography, PSU

**Molly Vogt**- GIS Specialist, City of Gresham

**Michele Huffman**- Data Services Program Manager, USDA Forest Service

**Luise Paradis** - Assistant Director, PSU Career Center

### Purpose:

- Listen to overviews of current status of employment opportunities.
- Identify desirable skills to offer employers for future employment.
- Receive suggestions and advice on how to achieve skills from professionals.

### Bring:

- Questions concerning career interests in Photogrammetry, Remote Sensing, GIS, and Cartography.
- Also, bring a resume and cover letter to receive feedback from the PSU Career Center on appearance and content.
